

COMMUNITY MINISTRIES OF CALVERT COUNTY

Community Ministries of Calvert County (CMCC) is a nonprofit organization dedicated to providing emergency grants to people who need them in Calvert County. They provide assistance with rent and with utilities including electricity, gas, oil and water for people who are struggling to cover cost of living expenses.

Many churches in Calvert County support CMCC in efforts to collaborate and meet the needs of those who are experiencing difficult living conditions. People requesting help will complete an intake form and then connected and referred to various community resources already established in Calvert County.

HUMC SUPPORT:

LIAISON:

CMCC meets quarterly to discuss the problems and issues being addressed within our community. If you are interested in being a liaison between CMCC and HUMC, please contact Melinda Gaines at mbgaines@verizon.net.

INTAKE VOLUNTEER:

CMCC is also in need of volunteers to perform intake interviews with potential clients. This could be once a week or bi-weekly depending on the volunteers availability. If interested, please contact Melinda Gaines at mbgaines@verizon.net.
